Business Mobile Apps

SERVE  
CUSTOMERS  
ON YOUR  
VERY OWN

# RESTAURANT MOBILE APP

High quality mobile  
app at competitive  
prices and fastest  
delivery time!

**HOWEVER, RESTRO APPY IS A MUCH BETTER WAY TO ENGAGE AND COMMUNICATE WITH ALL YOUR CUSTOMERS USING A SINGLE PLATFORM**

**YOUR RESTAURANT MOBILE APP IS A  
PERMANENT PRESENCE IN CUSTOMER'S PHONE.**

**AND WHAT'S IN THEIR PHONE,  
IS ON THEIR MIND!**

**OUR APPS MAKE IT EASIER  
FOR YOUR RESTAURANT TO ENGAGE  
CUSTOMERS THAT NOW LIVE ONLINE!**

# WHY GET YOUR VERY OWN RESTAURANT APP?

Restro Appy lets you increase your **brand awareness, reputation and sales.**

It allows you to connect with **potential and existing customers** and provide them services on the go!

REAL-TIME APP EDITING

## CONTACT CENTRE + MOBILE APP

Be the first to provide a unique combination of mobile app supported by a cloud contact centre for voice based interaction.

## DYNAMIC PROMOTIONS

Send special offers, discounts and promotions directly to your customers and update them at any time, from anywhere.

## INCREASE BRAND VISIBILITY

With a dedicated Native Grade mobile app in Android and iOS stores, allow your customers to know your business through your premium app.

## MULTI-LANGUAGE SUPPORT

You can allow users to use the app in the language of their choice.

## TESTIMONIALS

This section will have all the good reviews from your customers to increase trust and acquire even new customers.

## OFFLINE AVAILABILITY

Provide static information to users which work even without an internet connection.

## SOCIAL MEDIA INTEGRATION

Convert mobile app users to social media followers through in-app live feeds and integration.

## NEWS AND MEDIA

Upload all news and media coverage of your business that helps build your brand value.
